DETAILED ACTION

1. Claims 1-6 are pending as amended on 20 July 2005.

Specification

2. Applicant's amendment, filed 20 July 2005, with respect to the correction of minor informalities in the specification has been fully considered and are corrective. The objections to specification have been withdrawn.

Claim Objections

3. Applicant's amendment, filed 20 July 2005, with respect to the correction of '6-8-disulfo-2-naphthyl' has been fully considered and are corrective. The objection to claims 1-6 has been withdrawn.

Claim Rejections - 35 USC § 102

4. The rejection of claims 1-3, 5 and 6 under 35 USC 102(b) as being anticipated by Furuhashi is maintained. Applicant's arguments filed 20 July 2005 have been fully considered but they are not persuasive.

Applicant argues that Furuhashi does not exemplify a disazo dye with a sulfophenyl substituted by a hydroxyl group. It may be that Furuhashi provides no example containing the compound in question, but still Furuhashi teaches the disazo dye of the instant claims and therefore anticipates claims 1-3, 5 and 6.

Allowable Subject Matter

5. Claim 4 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
